Administration

Dear Students:

Each year I have held high hopes that the following year would see our world situation improve such that our graduating students could plan on normal conditions. It seems, however, that this is not the case.

Facing world conditions as they are in these days requires men and women with adequate educational background and the ability to apply it. On the basis of the achievements of the graduating class this year and of the achievements of the entire student body, I feel confident that you meet these requirements.

It may seem trite to say the future is in your hands, but nonetheless, this is true. Today, more than ever before, the rising generation needs to evaluate its ability to become active citizens in community, national, and international life. Your experiences at Escondido High School will help you to do your part to bring about better world conditions.

Congratulations to the class of 1962. May your good achievements continue as you disperse from this school and locate yourselves throughout the country and the world.

Sincerely yours,

G. W. Quade, District Superintendent

To the Class of '62:

Congratulations, students on a job well done. You have been successful in reaching your first educational goal, the high school diploma. Those of you who possibly can should be making final plans for continuing your education at the college or vocational school of your choice.

Escondido High School has achieved many honors this year. The students and staff should be extremely proud and pleased of these achievements.

I am sure that you have enjoyed knowing and having as your guests this year, the A.F.S. students from Sweden and Finland.

We all feel that this has been an experience that we shall not soon forget. We trust that they have, likewise, come to understand our way of life and will do their bit to promote peace and happiness throughout the world.

Good luck to you in the years ahead

Sincerely,  
W. P. Radney

# SCHOOL BOARD

Brig. Gen. Clarence P. Kane, Ret.

Mr. William Kennedy

Mr. Chester Galyean

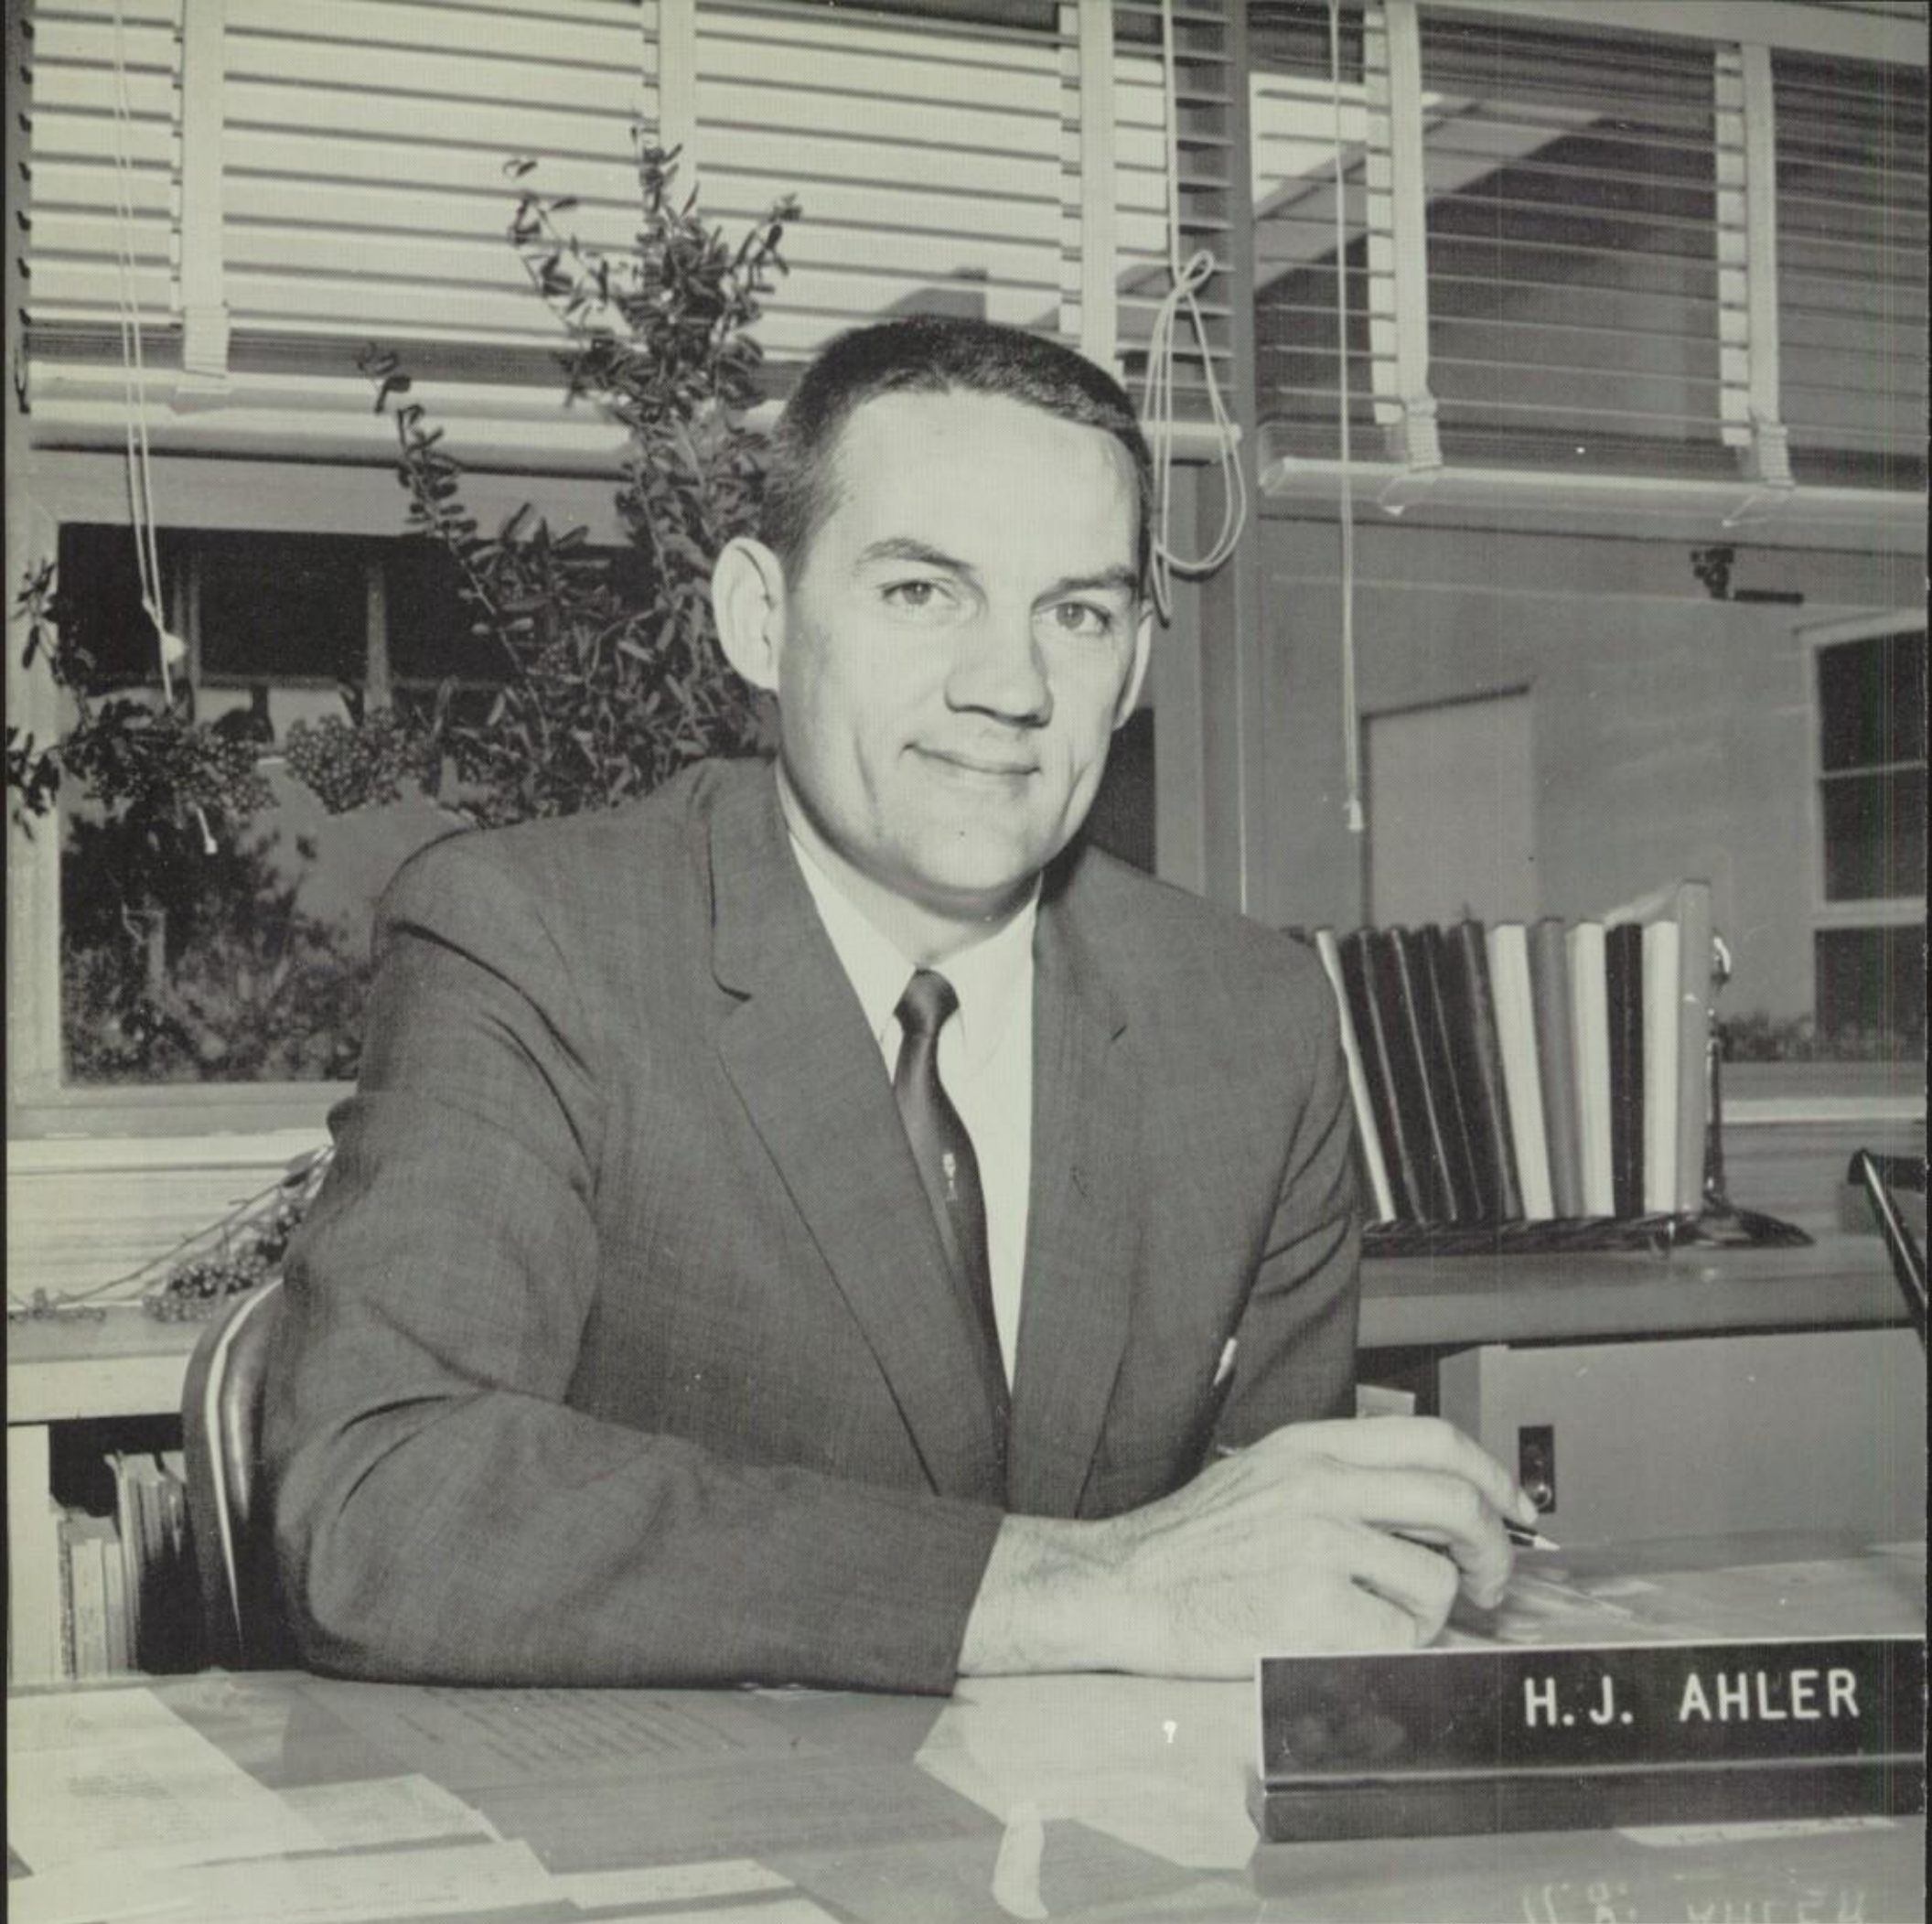

Mr. Colley Jeffers

Mr. Don Short

The members of the Board of Education worked efficiently throughout the year on involved school problems, and did their best to bring about many improvements at EHS.

To the class of 1962:

Congratulations to the members of the class of 1962 for your outstanding record of achievements during the last four years. You have worked hard and your rewards are well-deserved.

Having reached your goal of graduation, you feel a sense of joy; yet there is a feeling of sadness, too, because you are leaving something that you have helped build.

These mixed feelings reflect the pattern of the successful life: setting goals, working hard to achieve them, feeling the pleasure of accomplishment, then re-setting new and higher goals. The common factor in all success is hard work toward a high goal.

We hope that during your four years at Escondido High School you have learned this lesson well. Your record indicates you have.

Best of luck and continued success.

We think our principal is tops. As evidence of this, we dedicate this yearbook to Jim Ahler. Black and white doesn't do justice to the warmth of his personality: we hope that this color picture will!

Dave,

Well Diane is in a hurry So I've gotta not be too long writing- Boy what a year  
its been- Some things good others bad. I think you know what I mean. Its a strange  
strange year - People have influenced my way of thinking considerably- if I  
had things do over right now - do you know I would do the same things  
all over again- I know that's sounds pretty bad I know- But it seems  
like to me that I don't have to lie to you and that I can always tell  
the truth around you. Dave, I really think your great and I love ya  
like a brother- I have benetited so much by our many talks that I  
Sure hope we can always be such great friends. Dave, I sure hope we can  
have a great many more talks- Cause there's alot I would like to  
tell you. I think you know what about- I also want to ask you  
opinion on a few things and maybe soon we can have a big pow-wow -  
OK? Well Dave L. has quit so I guess I'll quit. I don't show  
this to C.B. - Cause she'll probably rap.  
Dave my ~~to~~ face and looks betray me feelings - I gotta get out

Wave,  
Well you all graduated Senior, how does it feel  
to be out in the cold world? Kinda warm I think.  
Boy we sure had some laughs this last year didn't  
we. Remember the first day of school when we went  
to Kithup swimming after school. All the chats  
at the locker between classes. And most of all  
remember our neat French class & Monsieur

## ALMA MATER

Baldrige, what a class. I don't think you & I will  
ever make very good Frenchmen, do you. Let's see -  
Pas mal merci, etc vous? Bien merci. Bow!  
Sur la place la bas à goêch! What a fun that  
means.

Have fun this summer & I hope we can have  
lots of laughs at the parties. Be good & I hope that  
some day soon you will be able to go on a mission. Love,  
Shirley

# FROM THE EDITOR

"What's That? You say you've lost page 40?" Editor Marshall Smith always had an unconcerned look on his face, even in the midst of the chaos and suffering endured by the rest of the staff.

Hi Cougars!

This has been a good year for Escondido High. We dropped the Union out of our name as the two new schools, Poway and San Marcos, were opened. We had a little trouble getting used to the uncrowded halls and the lack of Powegians, but we adjusted. AFS got the ball rolling, and Franciose, Locka, and Kai came to EHS. They all made a hit with teachers and students alike. In sports, we proved again that Cougar spirit is tops by supporting our teams with equal enthusiasm at home and away. These are just a few highlights of a great year for EHS. But now that year is over. Graduation is only a short time away. We who are Seniors shall very soon be moving into the adult world, many of us never to see each other again. Next year you Juniors will be the BMOC's, and the Sophs and Frosh will be upperclassmen, ready to welcome the new crop of Freshmen. It will be another great year for EHS.

I want to take this opportunity to thank the people who made the 1962 Gong possible. My sincerest gratitude to: Mr. Dave Bosson, Taylor Company representative, who gave the staff the assurance and guidance it needed; to Mr. John Daly, the photographer and unsung hero of the '62 Gong, whose long hours in the darkroom, weekends spent retouching pictures, and patience really made this yearbook; to you the teachers and students of EHS, for your support and cooperation, I hope this book repays you in a small way for all of our breaking into your classes with announcements and passes. To the Gong staff goes a special vote of gratitude. You are a great bunch of kids, and working with you was a pleasure. I would like to express my particular appreciation to our advisor, Mr. Miller. He spent more time on and got more gray hairs from the Gong than all the rest of the staff combined. And when the work was finally put away each day, he had to drive to San Diego. How he stood the long hours is a mystery.

So, here is the Gong for 1962. Into it went "blood, sweat, and tears," not to mention a tremendous amount of time. I hope you enjoy looking through these pages, recalling those special moments that were highlights for you.

Sincerely,  
Marshall Smith  
Editor-in-Chief

If you happened to be walking by M-1 seventh period—(what were you doing out of class?)—you might have overheard something like this:

ASB—"Marsh, where is my ASB cabinet picture?"

"Try your folder, that's where it was when you lost it yesterday."

Ads—"No, you don't put . . . for speedy service call Alhiser-Wilson Mortuary."

Circulation—"We'll sell at least one Gong—the police station wants one"

Organizations—"HELP."

Marshall Smith—"Mr. Miller . . . Mr. Miller . . . ; MR. M-I-L-L-E-R!"

John Miller, advisor

"I don't care if you ARE the photo editor, it's still cash!"

"I left it right there on the desk a minute ago!"

"I don't care if you ARE the editor; my mother told me . . ."

"The deadline for that was three weeks ago."

"She'll just DIE when she sees it."

## EXTRA!

ESCONDIDO HIGH PUBLICATIONS

EHS Publications covered the COUGAR, GRID, REFLECTIONS, KOWN radio program, and the COUGAR'S DAILY PURR. Journalism II students worked on the school paper, the COUGAR, and the Journalism I students put out the CUB edition of the COUGAR twice each year.

Leon Tidwell took care of the Circulation department of the COUGAR. He is shown on the right with a member of the ad department, Carol Alexander.

The GRID, the football program, was edited by Charles Hoadley, and the magazine 'REFLECTIONS' was edited by Claudia Keithley with assistant editor Kathy Anderson.

### EDITOR-IN-CHIEF, FERRETTI; COUGAR EDITOR, KEITHLEY

Editor-in-chief Leslie Ferretti headed the whole department with capable Wallace F. Gray, advisor, responsible for all the work done by the Journalism II department. Mr. Gray discusses the number of advertising inches per issue with Leslie (above).

Managing Editor of the COUGAR was Kathryn Keithley, on the right. Being responsible for the stories, layouts, and headlines appearing in the COUGAR was a difficult job for Kathryn, but it was managed efficiently.

Carol Moltane edited the radio program on KOWN and also the COUGAR'S DAILY PURR which is a bulletin board the COUGAR staff used as a type of daily newspaper. Carol (on the right) really had a job trying to meet the deadlines and supervise all of the work done on these things by the other students.

### SANDRA

Sandra English was the academic editor this year. Her job was to keep a file of stories on the academic work being done at EHS.

### THOMPSON'S ART
